: DECISION GRANTING  
: STATUS UNDER 37 CFR  
: 1.47(a)  
:

This is in response to the "Petition Under 37 CFR 1.47(a)," filed September 10, 2001.

The petition is granted.

Petitioner has shown that the non-signing inventor has refused to join in the filing of the above-identified application.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

The Notice to File Missing Parts of Nonprovisional Application mailed June 7, 2001, additionally required the submission of substitute drawings in compliance with 37 CFR 1.84 because the "drawing sheets do not have the appropriate margin(s) (see 37 CFR 1.84(g)). Each sheet must have a top margin of at least 2.5 cm (1 inch), a right margin of at least 1.5 cm (5/8 inch), and a bottom margin of at least 1.0 cm (3/8 inch)." Therefore, timely compliance with this requirement must be made in order to avoid the abandonment of the application. The time for reply remains as set forth in the Notice of June 7, 2001.

Telephone inquiries regarding this decision should be directed to Petitions Examiner Wan Laymon at (703) 306-5685.
